

Happy Holidays

FROM DEEPER ROOTS COFFEE

That time of year is upon us once again. The trees are trimmed, the lights are twinkling, and we're all looking forward to spending time with the people we love most. We love providing delicious coffees, teas, and merchandise that all make amazing gifts, and this year, we wanted to make things a little easier for you in your gift-giving. So, whether you're gifting a subscription, a hoodie, or a full pourover set-up, feel free to print out these cards, write a little note, and stick it under the tree for your favorite people to open up and enjoy!
